Group lessons for mid to high handicap players to enhance their game

Access to local golf courses and driving ranges

Competitive matches for the school

Golf Tour experiences

Bespoke Golf Performance Academy for Sixth Form students, integrating academic study and elite golf development

Golf Development Academy for Sixth Form students to develop their game using private study time for skills improvement

Individual mentoring, regular performance reviews and strength & conditioning sessions

Grove Pupils Years 7–11

Individual and Group Lessons

Lesson prices to be confirmed

The opportunity to book group or individual lessons is available to pupils in **Year 7–8 who wish to develop their skills** before beginning the Emerging Performance Programme in Year 9, or to **older students who are not part of a Golf programme.**

Pupils can book termly group or individual lessons on site throughout the week - before school, during lunchtime and after school. Additional block sessions are also available at weekends.

Lessons may also take place on local courses, catering for both beginners and those looking to refine their skills.

There will also be the option to book ad-hoc individual lessons.

Emerging Performance Programme

£400 per term (VAT included)

This programme **builds a foundation for progression of pupils in Year 9-11** onto our Development and Performance Academies.

With a focus on skill development, consistency, and maintaining good golf habits, this programme is perfect for those who have already attained a handicap and higher level players looking to progress their, at an intensity which matches their age level and commitment to academic studies.

Students will receive individual coaching with individualised performance plans, and a weekly practice session on the Golf Academy TrackMan devices.

Sixth Form

Golf Development Academy

£750 per term (VAT included)

Sixth Form pupils can continue to develop their game during private study periods or after school through tailored coaching sessions. Access to TrackMan technology and on-course lessons to support ongoing improvement while balancing academic commitments.

Includes:

1 x Individual indoor lesson weekly

2 x TrackMan self sessions per week

Optional Wednesday Games lesson on course (subject to weather/course fees)

Golf Performance Academy

£2000 per term (VAT included)

Designed for accomplished golfers, this programme is fully integrated with academic study placing a strong emphasis on performance. It is targeted at **students with clear golfing ambition and a commitment to high-level development.**

Each pupil's academic timetable is carefully aligned with golf lessons, training sessions and competitive commitments running in parallel.

Individual mentoring and regular performance reviews ensure structured and consistent progression.

Includes:

Tailored Performance Programme

Strength and Conditioning Programme

1 x Individual indoor lesson weekly

1 x Course or driving range lesson (weekly 1 hour or 2 hours every 2 weeks)

1 x Activity weekly (Strength & Conditioning / Video Analysis / Mental Skills)

1 x Academy Group lesson (on course weather dependent)

Access to 2 x TrackMan self-sessions per week
