

ABA 2022 Calendar competition

You may remember our final part of the summer ABA competition for the ABA 2022 calendar which will be on sale for Christmas!

Over the summer we wanted you to do something creative with Nature! Be it photography, making a bug hotel, drawing a nature scene...anything as long as it was to do with Nature!

We have decided to extend this competition due to the beautiful weather we are still experiencing.

So get creative! Take a photo of your masterpiece and send it to chairaba@gmail.com

The winning images will be used in next year's calendar.

Deadline for the final images will be on Monday 5th November.

We can't wait to see your amazing nature creations!
Good luck everyone!!
