

Challenge

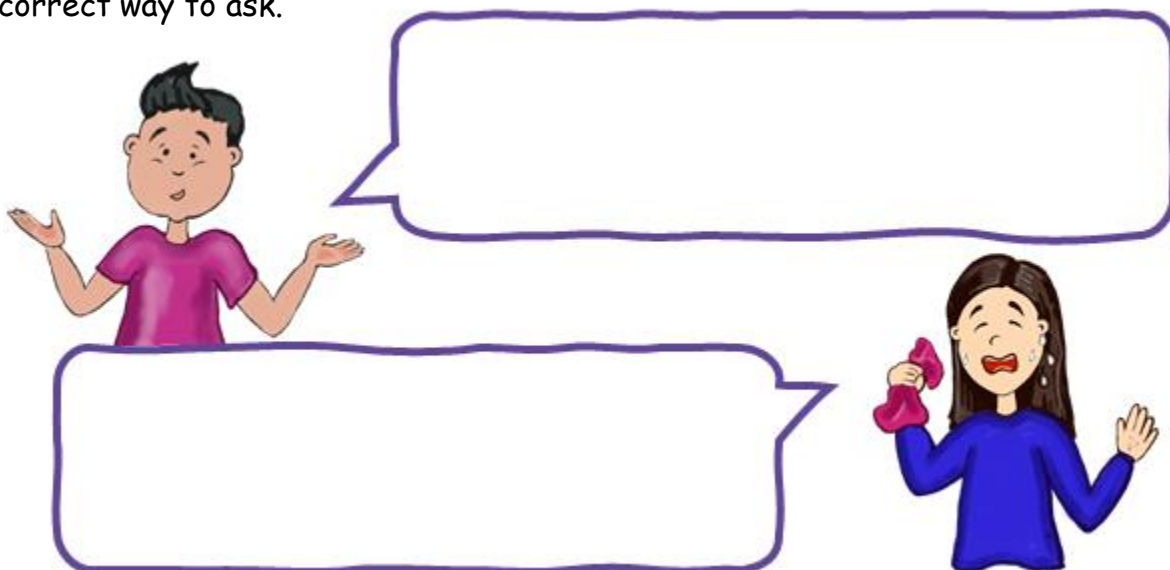

1. Complete the diagram to show the areas of the body that are safe and unsafe for another person to touch.

2. What would you do if another child touched your private parts?
3. True or false: you don't need to ask for permission before touching another person.
4. True or false: you can change your mind at any time if you give someone permission to touch you.

More Challenging

5. You'd like to give your friend a hug. Complete the speech bubbles to show the correct way to ask.

Mega Challenging

6. Describe the safe and unsafe touch safety rule.
7. Explain why you should behave respectfully when someone withholds their permission (says no). Give an example of the correct way to respond.
