If you encounter any difficulties, please contact the exams office.

Check university requirements

Before making an application, you must check the information produced by the university to ensure that you are fully aware of the regulations and requirements involved.

Supply UCAS Information

You will also need to supply your UCAS ID and the university and course that require the admissions test entry.

Find your Unique Candidate Identifier (UCI)

If you have completed exams before, it is helpful if you can supply your UCI (Unique Candidate Identifier) number. This is a **12-digit number followed by a capital letter** that can be found on previous statements of entry or results. It is also contained as part of a longer code found on the bottom of some certificates (AQA). Please contact your previous exam centre to ask for your UCI, if necessary. If you have never taken exams before, or took your exams before 1998, or whilst abroad, you will need to be allocated a UCI; so, in this case, please leave the box blank.

Other Requirements

1. Please upload, a recent, clear, digital, passport type photo into the photo box on the application form. It can be a 'selfie' taken on your phone.

2. Upload a scan or photograph of the photo page of your passport or your photo driving licence for ID purposes to the ID box on the application form. **This photo ID will then need to be brought to this centre on the day of the assessment.**

3. Pay the exam fee.
    Once we have received and checked your completed application form, we will send you a payment link. **It is school policy never to enter private candidates without prior payment.**

Having processed your application form, we will email you:

      a. **A statement of your exam entries.**
      b. **Your exam timetable.**
      c. **A fee invoice/receipt**

<mark>**Please keep these documents safe to be well prepared for your exams.**</mark>

<u>WARNING</u>: It is your responsibility to double check that you have been entered for the correct exam papers and that you attend this centre on the correct date and time to complete the exam.
