

WOODHOUSE GROVE SCHOOL

Transport Guide 2023/24

Introduction

All our afternoon bus routes leave at 5.20pm allowing all our pupils to participate in our extensive co-curricular programme.

Many pupils travel to school on the train directly to Apperley Bridge Train Station. Within a few minutes walk from the school, travelling from Skipton, Bradford, Leeds and now Kirkstall Forge station can be done with ease, and with the Educational Season Rail Pass this provides a cost effective and fast route to school for pupils who live in proximity to stations along these routes.

For information on all train times please visit
<https://www.wymetro.com/trains/train-timetables/>

The school is serviced by the Airedale and Leeds-Bradford Line and is easily accessible from the Wharfedale line with a change at Shipley station.

If you wish to apply for the Educational Seasonal Rail Pass, a copy of the form is available on the school website under School Info/Location and Transport. These rail passes are available termly or annually.

The timings for all morning buses have been planned to ensure that pupils arrive in good time for the school day, commencing at 8.35am. Bus passes can be purchased termly or annually, regardless of whether you are buying a single journey or five return journeys. Purchasing a termly or an annual pass offers savings compared to ad hoc tickets, with an annual pass attracting a further discount (over 5%). Termly and annual passes are non-refundable, although exam leave rebate for pupils in Y11/13 may be considered.

WE operate some of our own bus routes and the rest are operated by Fourway Coaches, whose vehicles are fitted with vehicle tracking, seatbelts and drivers are equipped with mobile telephones.

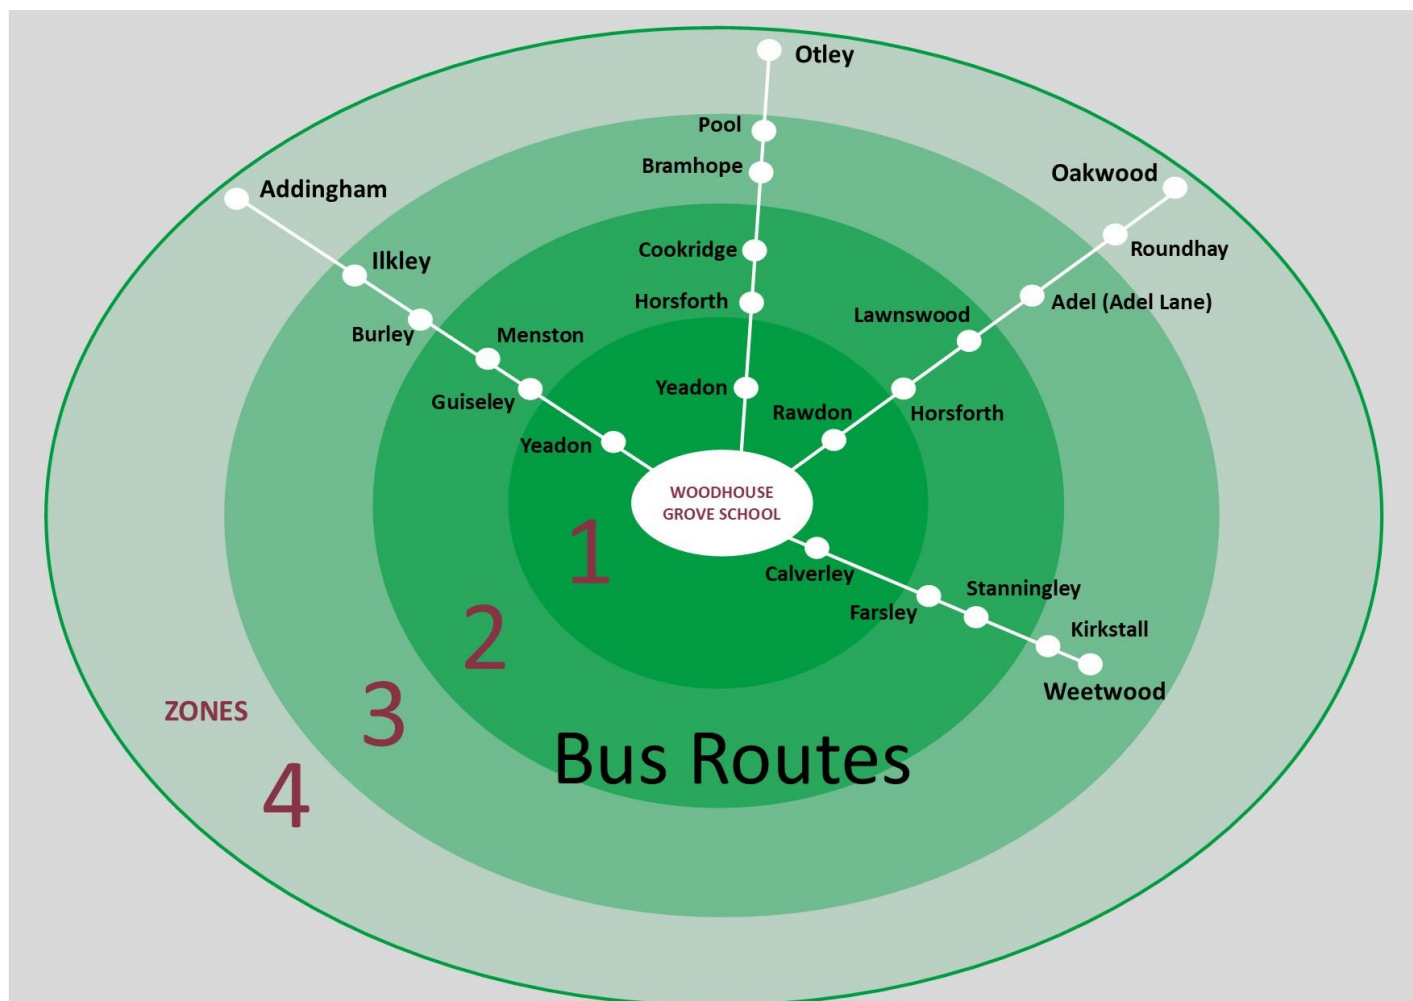

Should you have any queries not answered by this pack or wish to apply for a Bus Pass (the Application Form is at the back of this pack) then please contact our Transport Co-ordinator's by email.

Fare Zones

We have 4 Zones which have been based on their distance from school. The price for each zone has been set to allow for easy cost calculations.

The fare is calculated based on the zone you are travelling from and whether you are purchasing an annual, termly or daily ticket. Please see below the prices for each category in each Zone.

Pricing Zones from September 2023	Equivalent Price per day			
	Termly Single	Termly Return	Annual Single	Annual Return
Zone 1 (eg, Yeadon, Rawdon, Calverley)	£3.00	£5.75	£2.75	£5.00
Zone 2 (Guiseley, Menston, Cookridge, Lawnswood, Horsforth, Farsley, Stanningley)	£3.50	£6.50	£3.25	£5.75
Zone 3 (Burley, Ilkley, Bramhope, Pool, Adel, Weetwood)	£4.00	£7.00	£3.50	£6.25
Zone 4 (Addingham, Otley, Roundhay)	£4.50	£8.00	£4.25	£7.25

All ad hoc single journeys can be purchased from Sports Centre Reception subject to available seats.

Single £4.50 to all zones.

How to calculate your fare:

1. Decide whether you wish to pay termly or annually
2. Look at the price per day cost for your Zone. This could be single or a return (termly or annually).
3. Work out how many returns or singles you require;
Autumn term is 63 days
Spring Term is 53 days
Summer Term is 54 days
Annual pass is 170 days

For example
5 day return journeys (every day) annually would be 170 return journeys
3 return journeys a week just for the Spring term would be 33 return journeys (depending on days)
2 mornings a week annually would be 68 single journeys (depending on days)
4. When you have worked out how many journeys you need multiply this by the cost of the Zone (termly or annually)
For example;
5 day return journeys annually will be 170 journeys from Menston (Zone 2 annual return £5.75) = £977.50
3 return journeys a week just for Spring term would be 33 from Yeadon (Zone 1 termly £5.75) = £189.75
2 mornings a week annually will be 68 singles from Ilkley (Zone 3 annual single £3.50) = £238.00
5. This will give you the cost of your fare. If you want some morning only journeys and some day returns this can be calculated in the same way
For example;
You would like Monday and Tuesday mornings and a return on a Thursday annually from Bramhope
Monday and Tuesday mornings annually is 68 single journeys in Zone 3 (single annually £3.50) = £238.00
Thursday return annually is 34 return journeys in Zone 3 (return annual £6.25) = £212.50
Therefore total annual cost = £450.50
