WOODHOUSE
GROVE SCHOOL

The Covered Netball Courts

Excitement is in the air as we announce that the addition of an all-weather canopy to our existing netball courts is set to be completed by the end of February! With this new addition, we will be introducing three netball courts that will be available for use throughout the year.

This innovative canopy will allow netball enthusiasts to play outdoors safely regardless of the weather conditions, ensuring that teams won't miss out on valuable practice sessions during the winter months.

Our hirer packages now offer discounted rates for those looking to book multiple courts, encouraging teams to make the most of this fantastic facility. Bookings are now open for March onwards, so secure your spot now!

We are thrilled to be able to provide even more opportunities for netball at WGS, offering teams a dedicated venue to train and compete. Join us in embracing the joy of netball all year round!

Sixth Form Building

Development on our state-of-the-art Sixth Form Centre is complete! The facility is open and in full use by our ecstatic Sixth Form students.

The modern and sleek design of the Sixth Form Building provides a stimulating environment for our students to thrive in.

The large seminar rooms are equipped to host engaging discussions with Business Partners, offering valuable insights into various career paths. With ample space for both independent study and group projects, students can cultivate their skills in collaboration and critical thinking.

The sophisticated ambiance of the building mirrors a professional workplace setting, giving our students a taste of what to expect in their future careers.

We are dedicated to nurturing well-rounded individuals who are prepared to excel beyond their time at Woodhouse Grove. The Sixth Form Building stands as a testament to our commitment to providing an innovative and enriching educational experience for all our students.

We hope you like it as much as we do!
