Year 2: Elvie C, Max B, Evelyn P, Edwin M, Hugo R, William A, Daniel EL, Arwaa A

Year 3: Erin E, Claudia B, Matthew M, Arthur B and Robin E

26.04.24

Year 4: Taylor H, Misha BL, Finn T, and Hettie C

Year 5: Isabel R, Hajrah R, Olivia F, Avi V and Jenson P

Year 6: Subhan M, Edward I, Mikey HH, Amaan H, Neve B, and Phoebe C

## Culture Week!

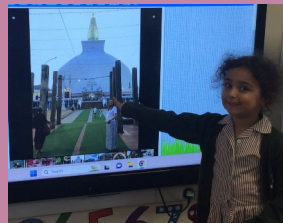

## CULTURE WEEK

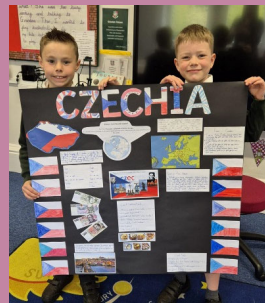

This week was Culture Week at Brontë House! Each Year group within the School was investigating a different culture in this week's Humanities lessons. **Pre-Nursery** have been making their own British flags and one of our Year 2 children taught everyone how to count to 10 in Lithuanian.

**Reception** have been learning about Sri Lanka. They have looked at some artefacts, which belong to one of our pupils, whose Daddy was born in Sri Lanka. She showed her class mates a picture of the largest temple in Sri Lanka called Tissamaharama and shared a picture of her name in Sinhala.

In **Year 3**, Sarin taught the children some phrases and shared lots of information about life in The Czech Republic. **Year 3** have enjoyed producing some work for our whole school Culture Week display.

**Year 4** have continued with the theme of India in Culture Week and investigated art forms, before creating their own rangoli patterns, using natural materials. We are very impressed with the results!

**Nursery** has really enjoyed an induction to the garden patch area this week. The children made notes on what they might need to plant and they looked at and discussed what was growing. This is now a weekly session for our class.

**Year 1 and 2** Earth Art club have been creating faces using natural materials found around the grounds.

**Year 2** have begun their 'Let's Go On Safari' topic this week and have been learning about where Kenya is in the world. They have been enjoying their middle room activities in the 'Safari Booking Office' - selling tickets, leaflets and maps and working out the cost, drawing African inspired patterns and creating Kenyan fact files.

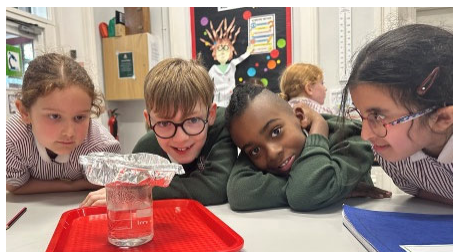

**Year 2** have also been researching endangered animals in preparation for their new Pathways to Writing book 'The Last Wolf' by Mini Grey. They are also enjoying their new class reading book Fantastic Mr Fox by Ronald Dahl. This week they were exploring the text and recording their answers using Seesaw.

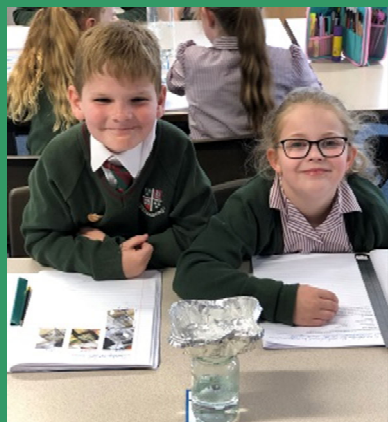

**Year 3 and 4** also enjoyed their first rounders session. Brilliant catching and throwing skills were on show along with great team support. A really enjoyable club to be involved with.

The rain wasn't just falling outside this week, there was a downpour in the science lab too! **Year 4** made clouds in a beaker as part of their studies into the water cycle.

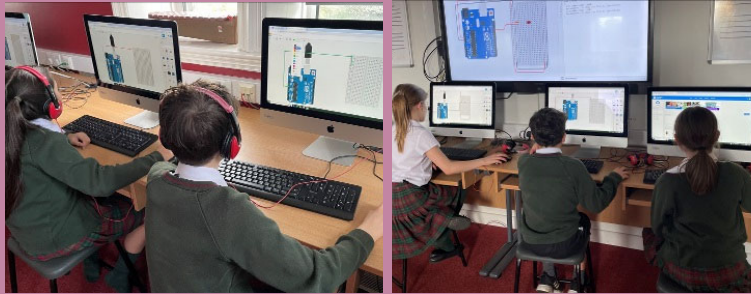

**Year 4** have been conducting lots of science investigations this week. We have been finding out about the melting point of ice and learning how to read a thermometer.

Year 5 are currently enjoying creating circuits in their computing lessons. They have learnt how to build a basic LED circuit on the computer and have begun to add further components so they can make the LED lights flash on and off. In future lessons, they will continue to explore a written coding language and program their own LED light shows!

Y5 kickstarted their 'Circle of life' topic this week with a plant dissection lesson.

As part of their Evolution and Inheritance topic, Year 6 had fun creating their own designer dog breeds this week.

In computing, Year 6 are using tiny computers called micro:bits and attempting to develop programs to get them to do various things. This week, they used selection and variables to turn the micro:bit into a fortune teller!

**We hope you enjoy reading Brontë Bulletin. We would really like your feedback and views on the format and will be sending out a link to a short survey soon. Please take two minutes to share your views with us.**

### ABA & FOWG Pre ❤️ Fundraising

We are extremely grateful to receive donations of outgrown school uniform & sports kit.

This is such a busy time of year! Help us support our families and raise valuable funds for the school PTA.

Donations of current or outgoing styles of uniform can be dropped into school reception.

If you would like to place an order or make an enquiry, contact the Pre loved team - 07415 367085

Thank you for supporting the ABA & FOWG Pre ❤️ Fundraising
