

WOODHOUSE GROVE SCHOOL

woodhousegrove.co.uk

GCSE Options September 2024.

Please complete this form on behalf of your child circling one option from each block

In Year 10 pupils study a core curriculum including:

English, Mathematics, Biology, Chemistry, Physics, PSHEE, Games and PE.

In addition pupils have to choose four further subjects to complete their programme of study. Each of these leads to one GCSE grade.

With the agreement of our Learning Support team, some students might choose Learning Support as one of their options instead of a fourth GCSE

Students are recommended to pick at least one language subject (French/German/Spanish).

Numbers will be limited in some subjects due to the practical nature of those subjects and the space available. It is also impossible to timetable every possible combination of subjects – the blocks below have been designed to allow as many as possible of the students' provisional choices to be accommodated.

Electronic copies of the GCSE Handbook can be found on the school [website](#)

Block A	Block B	Block C	Block D
French (2 sets)	German	Art	Spanish (3 sets)
Business	Art	Business	Art
Design & Technology	Business	Computing	Business
Drama	Computing	Drama	Geography
Geography	Design & Technology	History	History
