Succession Employee Benefit Solutions and Succession Wealth

Succession Employee Benefit Solutions (SEBS) is a specialist employee benefit consultancy firm. We are built on strong foundations, offering our clients bespoke solutions, unrivalled benefits expertise, and client-centric service. At SEBS, we help employers implement employee benefit strategies that support the health and financial wellbeing of their people - leading to higher job satisfaction, improved retention, and stronger recruitment. We understand that every business is different, which is why we tailor our services to your objectives, your people, and your budget.

Succession Wealth is a national financial planning business, supporting individuals and families to achieve their financial goals through expert, personalised advice. We believe that professional financial planning is the key to delivering long-term value. Our

approach is built around understanding your ambitions, managing risk, and providing peace of mind through robust governance and ongoing oversight.

Our advisers work closely with clients to build tailored financial strategies, whether that's planning for retirement, investing for the future, or protecting what matters most.

Our teams are based nationwide and work collaboratively across the UK, so when you engage with one of us, you benefit from the collective knowledge and experience of our entire network. Whether supporting individuals or businesses, our mission is the same: to provide trusted advice, tailored solutions, and long-term value.
