

Our forward-thinking Sixth Form offers you a choice of pathways to help you excel on your terms.

Tailor your learning based on your personal strengths and passions. Our programme’s flexibility and our care and commitment to the individual will free you to unlock your future.

Shape *your* pathway to suit you

No two students are the same, which is why our sixth form is designed to offer more options than just subject choices.

Select your combination of A-levels, perhaps add an EPQ. Opt for up to 60 days of industry experience with one of our partner businesses. Take one of the BTECs we offer. Whichever pathway you pick, we’ll tailor your timetable to suit you.

Whether you plan to go on to university, a Degree Apprenticeship or straight into work, or if you’re undecided, our sixth form will prepare you for your next step.

Strong Pass Rates, Strong Futures

Three-Year Rolling Average

Our students enjoy consistently strong pass rates:

- 50% of students achieve ABB or higher
- A*–A pass rate 40%
- A*–B pass rate 60%
- A*–C pass rate 80%

Real results, real success - see annual results and Leavers’ destinations on our website.

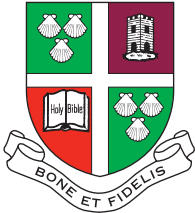

“What if there were a Sixth Form that combined the best of both worlds? The breadth of opportunities - academic and co-curricular - offered by a leading independent school, together with the flexibility, career focus and vocational approach of a Sixth Form college?

The Sixth Form at Woodhouse Grove is exactly that; carefully designed to give young people the very best of both worlds - and more. Our forward-thinking programme is continually reviewed and updated to ensure it meets the needs of today's students, helping them develop the skills, confidence and independence to thrive in a rapidly changing world - and succeed in whatever path they choose next.

James Lockwood, Headmaster

On an incredible journey that leads to realising your dreams...

“Flexi-boarding means less time travelling to school - which helps me fit in all my work, training sessions and Saturday fixtures.”

Freddie, Year 12

Join in a wide range of sports – either competitively, or just for fun.

Sports tours

Share *your* passion. Tutor groups are organised by future career aspirations and led by a tutor with specialist knowledge.

“Sixth Form students benefit from both independence and the convenience of a vibrant campus, complete with exceptional facilities and a rich variety of activities that enhance their experience and prepare them confidently for life beyond school.”

*Mr Chris Softley,
Assistant Head (Sixth Form & Futures)*

Science fieldtrips

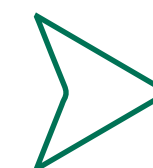

Forward-thinking in every sense

Offering a wide range of co-curricular activities, from theatrical productions and music groups to sport and community service, you'll learn life lessons that can't be taught in the classroom.

Life Skills – another essential yet distinctive part of our programme – helps make the next steps easier. Covering everything from first aid to finance, the programme includes expert-led talks as part of our Futures Friday series, alongside personal development sessions on topics that matter to you. From CV writing to interview preparation and practice, these sessions equip you with the skills and confidence needed for a life beyond The Grove.

Your very own space

Our dedicated Sixth Form facilities are forward-thinking and innovative – a space designed just for you. Enjoy the generous common room and flexible workspaces, perfect for independent study, group projects, or simply relaxing with friends. You can even grab something to eat at Woody's Café. The Sixth Form staff team are always nearby, ready to offer advice and support whenever you need it.

“The teachers are very supportive and regularly check you are organised and on track – to ensure you achieve your best.”

Lexie, Year 12

DofE expeditions

Our Sixth Form is *your* chance to explore the world.

Performing Arts

Make an international sports tour a highlight of your time in the Sixth Form

Your future starts here

Our flexible Sixth Form is designed to ensure you excel in the real world. When you finish your studies here, you'll be prepared emotionally and academically for anything – starting university, your Degree Apprenticeship, the workplace. This is your Sixth Form for your future.
