Celebrating 100 years of the House System at the London Reunion 2026

On Thursday 30 April, Old Grovians gathered in Soho for the London Reunion and it was wonderful to see such a fantastic turnout at our new venue De Hems Dutch Cafe Bar - our best-attended London gathering yet, with OGs attending from every decade from 1960-2020!

This year's event also marked a special milestone as we celebrated 100 years of the reformed House System, including 50 years of Towlson House. Unsurprisingly, House rivalry remains as strong as ever, with plenty of spirited conversation and friendly competition throughout the evening.

The reunion was a fantastic reminder of the enduring strength of the Grovian network and the lifelong friendships formed at The Grove. Guests enjoyed the opportunity to reconnect with old friends, make new connections and celebrate together as part of this landmark year in the School's history.

Thank you to everyone who joined us and helped make the evening such a success. We hope you enjoyed the chance to catch up, share memories and be part of another special moment for the Grovian community.

To celebrate 100 years of the House System, we're hosting a special event at The Grove - House Party on 3 July. Tickets are now available, so spread the word to your OG friends, House friends and even your House rivals - we hope to see you there!

2026 – the year of celebration, community and giving back

Head of Development & Alumni Relations Eve Corry (st24-) reflects on the power of the Grovian community as the School prepares for its first-ever Giving Week and a summer of celebration.

Over the past year, it has been wonderful to see so many of you reconnecting through events, reunions, networking opportunities and new initiatives. Whether attending a Coffee Morning, tuning into Grovian Voices, joining us for an event or simply getting back in touch with old friends, the sense of community and shared pride in The Grove remains as strong as ever.

This summer marks an especially exciting milestone as we launch the School's very first Giving Week from 27 June - 3 July. Giving Week is a celebration of everything that makes the Grovian community so special - the friendships, opportunities, traditions and experiences that connect generations of pupils and staff. Most importantly, it is an opportunity for us all to come together and give back.

To make a regular contribution or single donation visit: woodhousegrove.co.uk/make-a-donation/
Alternatively, please call 0113 250 2477.

Every gift, no matter the size, will help ensure future generations can experience the same support, encouragement and sense of belonging that so many Old Grovians speak so fondly about today. The Giving Week online donation page will launch on 27 June. Please give what you can and help us make an impact.

Giving Week will conclude with 'House Party' on 3 July. With a live DJ, bar, great food and plenty of House spirit, it promises to be a fantastic evening back at The Grove. Tickets are now available, so spread the word to your OG friends, House friends and rivals alike - we hope to see you there! Thank you, as always, for your continued support.

Cricket Tour Memories

Written by Year 12 student, OG Ambassador Harry Edwards

The senior cricket tour, most recently taking place in Barbados and St Lucia last summer, is a truly unforgettable opportunity to enjoy the best of sport and culture. This long-running tour provides a lifetime of memories for those who travel, and for many is a final chance to participate in school life before becoming an Old Grovian. Last year, 21 students and 3 staff enjoyed an incredible trip, with the highlights including playing at the Darren Sammy International Cricket Ground, and a night at the renowned Oistin's Fish Fry. The 12-day trip also finished with a day-long catamaran

experience, where the students enjoyed snorkelling and relaxing in the volcanic mud baths of Sulphur Springs.
